

#### Introduction

The Housing Overview section describes the programs and projects operated by the Fairfax County Department of Housing and Community Development (HCD) and the multiple sources of funds that support these activities.

As a County agency, HCD undertakes many programs on behalf of the Board of Supervisors. HCD also serves as the administrative arm of the Fairfax County Redevelopment and Housing Authority (FCRHA), a separate legal entity that was established in 1966 pursuant to Chapter 1, Title 36 of the <u>Code of Virginia</u>. FCRHA's roles include planning, design, production, rehabilitation and maintenance of housing, primarily for low- and moderate-income households, and assisting in the revitalization of neighborhoods in Fairfax County. Eleven Commissioners are appointed to the FCRHA for four-year terms by the Board of Supervisors.

The sources supporting HCD's operations include County funds, General Obligation Bonds, federal grants, private capital, and revenue from program operations (e.g., developer fees, rent from tenants of housing owned by the FCRHA and income from repayment of loans). As a result of these multiple, complex funding streams, HCD has 20 funds. It should be noted that Fund 947, FCRHA Capital Contributions was closed out in FY 2005, and residual fund balances were transferred to Fund 948, FCRHA Private Financing. In addition, Fund 319, The Penny for Affordable Housing Fund, was created in FY 2006. Some funds are appropriated by the Board of Supervisors, while others are allocated by the FCRHA. All are included in this budget in order to provide a complete financial overview. These 20 funds encompass all of the operations of HCD/FCRHA with the exception of several housing developments that are operated by outside management companies under contract with the FCRHA and/or are owned by the FCHRA in partnership with private investors. Separate financial records are maintained for these developments.

FY 2007 expenditures supporting the HCD and FCRHA activities total \$104,961,414 including \$9,356,915 in General Fund support, \$36,804,569 in other County appropriated funds, and \$58,799,930 in non-County appropriated funds. Total revenue for FY 2007 is anticipated to be \$104,406,851 as shown on the Consolidated Fund Statement. Receipts from federal/state sources are anticipated to be \$53,020,775, or 51 percent of total funding sources. More detailed descriptions of FY 2007 funding levels may be found in the narratives for each Fund following this Overview.

As part of the FY 2007 Budget Guidelines approved by the Board of Supervisors on April 18, 2005, the Board directed the County Executive to identify an allocation process before the Board's fall recess, to be approved by the Board of Supervisors, to prioritize and monitor affordable housing preservation initiatives funded through the annual designation of the value of one penny on the real estate tax rate. This process, which was approved in May 2005, is designed to <u>quickly</u> and <u>significantly</u> impact the availability of affordable housing in the County within established criteria. An initial amount of \$17,900,000 was included in a new County Capital Projects Fund 319, The Penny for Affordable Housing Fund, in the FY 2006 budget for this purpose. A total of \$21,900,000 has been included for FY 2007 as Real Estate tax revenue.

Because HCD's programs are supported by multiple sources of funds, the Agency Mission and Focus, Program Goals, Key Accomplishments, FY 2007 Initiatives, and Performance Measures are consolidated in this Overview rather than appearing with each fund. Performance measures for FY 2007 are consistent with FY 2006 Performance measures. These measures do not include statistics on the developments that are privately managed and/or owned by partnerships. This Overview also provides summary information on the organization, staffing and consolidated budget for HCD.

#### Mission

To preserve and increase opportunities for affordable housing in Fairfax County based on need, community priorities and the policy of the Board of Supervisors and the FCHRA. Driven by a community vision, to lead efforts to revitalize older areas of Fairfax County, to spur private reinvestment, maximize existing infrastructure and public investment, reverse negative perceptions, and create employment opportunities.

#### **Focus**

HCD connects with the residents of Fairfax County at their roots – home, neighborhood and community. All HCD programs, activities and services revolve around this important link and can be grouped in three service areas: **Affordable Housing**, **Neighborhood Preservation and Revitalization**, and **Capital Formation and Capacity Building**.

**Affordable Housing** supports individuals and families in their effort to find homes that are safe, affordable, and stable.

**Neighborhood Preservation and Revitalization** focuses on preserving and improving neighborhoods. In addition, HCD links residential and commercial neighbors to revitalize the entire community and bring new vitality to aging areas.

**Capital Formation and Capacity Building** focuses on development of partnerships with private investors and other public agencies resulting in capital investment and financial support for the HCD and FCRHA mission.

These service areas encompass all of the activities of the 20 HCD funds. The total FY 2007 Adopted Budget Plan of \$105 million can be distributed to these service areas and the general costs of running the department. It should be noted that many of the functional areas of HCD cross these service areas, so an exact allocation to the service areas is not possible. The FY 2007 Adopted Budget Plan is \$115 million less than the FY 2006 Revised Budget Plan primarily due to the purchase of 180 units at Crescent Apartments in FY 2006 and due to the fact that funding for many of the projects in the Neighborhood Preservation and Revitalization and Capital Formation and Capacity Building Service Areas are carried over for multiple years. Previously allocated balances have been carried over into FY 2006 to allow for continuation of the capital projects.

Highlighted below are the main functions included in each of the service areas. Additional information concerning the goals, accomplishments and key initiatives in each of these areas can be found after this summary.

#### THINKING STRATEGICALLY

Strategic issues for the Department include:

- o Fulfilling its purpose of providing opportunities for affordable housing and economic vitality in thriving diverse communities;
- o Generating resources through the identification of new resources, new capital and new partnerships to support and enhance programs that serve the missions of HCD and the FCRHA;
- Producing, retaining, acquiring and restoring quality affordable residences, neighborhoods and communities;
- Ensuring the efficient management and maintenance of affordable housing in FCRHA programs in a manner consistent with or exceeding community standards;
- o Providing opportunities to preserve, restore and improve the economic vitality of affordable residential neighborhoods and commercial neighborhoods; and
- o Promoting the planning and implementation of technological innovations in HCD.

#### **Affordable Housing:**

#### First Time Home Buyers Program and Moderate Income Direct Sales Program

This function offers new and resale homes at below market prices. These homes are built by private developers and are located within neighborhoods throughout the County. HCD markets the homes and, in some cases, provides financing assistance to first time homebuyers. Through FY 2005, 1,557 homes have been sold to first-time homebuyers through these programs.

#### Below-Market Mortgages and Down-payment and Closing Costs Loans

The Homeownership branch facilitated the administration of \$10,507,036 of below market first trust mortgage funds in FY 2005, enabling 69 families to purchase their first home through the Virginia Housing Development Authority's (VHDA) SPARC program and \$482,430 in below market rate second trust financing, which assisted 29 families through VHDA's HOME STRIDE program.

#### **Homeownership Resource Center**

The newly opened Homeownership Resource Center serves approximately 500 persons per month by providing information on homeownership, homeownership education, one-on-one and group counseling sessions, opportunities to meet with lenders, required applicant briefings, and coordination of resources for current and prospective first time homebuyers.

#### **Homeownership Education**

Through a partnership with VHDA, local lenders and housing professionals, six hour homeownership education classes were provided to 1,397 persons in FY 2005. Completion of the class qualifies graduates to participate in the First Time Homebuyer Program and the ability to access below-market financing, down payment and closing cost assistance. Classes have been offered in English, Spanish, Vietnamese, Korean, and American Sign Language.

#### **Foreclosure Prevention**

Affordable housing units were preserved by the FCRHA intervention to stop foreclosures, which would have extinguished the affordability covenants.

#### **Post Ownership Counseling and Education:**

Through this program, first-time homebuyers learn about maintaining their home and their responsibilities as homeowners living within their community. In FY 2005, post purchase education and counseling was provided in three developments, housing 116 households plus 25 recent Housing Choice Voucher homebuyers.

#### **Compliance Monitoring**

Compliance monitoring continues on over 1,400 First Time Homebuyer properties and Housing Choice Voucher Homeownership voucher participants, as well as the Employee Homeownership Assistance Program and the Down Payment and Closing Cost Assistance program loans. The goal of compliance monitoring is to ensure that participants are utilizing housing programs in accordance with governing local, state, and federal rules and regulations.

#### **FCRHA Rental Housing**

This function provides housing with rents commensurate with income. It includes properties under the Fairfax County Rental Program (FCRP) for those with modest means, as well as properties owned by limited partnerships affiliated with the FCRHA. In addition, it encompasses properties under the Fairfax County Public Housing Program and rental subsidies under the Fairfax County Housing Choice Voucher Program for those with very low incomes. These resources provide housing for nearly 5,800 low- and moderate- income households.

#### **FCRHA Development Activities**

HCD, in conjunction with the FCRHA, facilitates the development of affordable housing by non-profit and for-profit developers through incentives and financing. HCD and FCRHA also build and own housing for low-and moderate-income families and individuals, and households with special needs. In addition, FCRHA partners with private investors, through limited partnerships, to develop and operate affordable housing.

#### **Elderly Housing**

This activity provides 408 affordable living units at elderly housing properties in Fairfax, the town of Herndon, the Springfield area, Lincolnia in McLean and the Mount Vernon/Gum Springs area of Alexandria.

#### **Relocation Monitoring for Federally Funded Projects**

This program provides technical assistance and monitoring for preservation initiatives, which includes a Home Investment Partnership Grant (HOME) funded renovation of a 102 unit affordable rental housing complex. This activity also includes relocation services for all federally-funded projects throughout the agency. Seventy relocation reviews were completed to support appropriate spending of CDBG and HOME funds in FY 2005.

#### **Relocation Advisory Services for Condominium Conversion**

These services provide technical assistance to developers under both the Fairfax County Relocation Guidelines and <u>Fairfax County Code</u> for projects where there is substantial rehabilitation and condominium conversion. Technical assistance under the federally mandated Uniform Relocation Act is provided if federal funds are involved in the project.

#### Affordable/Workforce Housing

This initiative is based on the recommendation of the Preservation Action Committee, a resident task force appointed by the Board of Supervisors, to address the loss of affordable/workforce housing in the County. Strategies include providing incentives to owners of affordable units and financing projects which preserve affordable housing. The Board of Supervisors has dedicated revenue equivalent to the value of one penny on the Real Estate Tax for this purpose in Fund 319, The Penny for Affordable Housing Fund.

#### **Neighborhood Preservation and Revitalization:**

#### **Fairfax County Revitalization Activities**

These activities focus on overseeing preparation and implementation of revitalization strategies in seven designated commercial revitalization areas. They involve planning for a community vision and sense of place, design and creative approaches to redevelopment, marketing of local business, and attracting private development and investment.

#### **Home Improvement Loan Program and Home Repair for the Elderly**

These activities provide loans to homeowners (and some landlords) to fix up their properties. In addition, there is a crew to assist qualified elderly homeowners in making minor repairs at no charge. In FY 2005, over \$380,000 was lent to homeowners for repairs and improvements to their property and 95 qualified disabled or elderly homeowners received free repairs.

#### **Neighborhood Improvements**

This activity is targeted at preservation and improvement in residential neighborhoods designated under the Community Improvement Program and in designated Conservation and Redevelopment areas. Following a community planning process and adoption of plans, the program also focuses on improvements to street, sidewalk, storm drainage and other infrastructure designed and constructed in conjunction with the Department of Public Works and Environmental Services (DPWES).

#### **Blight Abatement**

This activity addresses resident concerns about specific properties which are abandoned, dilapidated or otherwise unsafe. Efforts are made to encourage property owners to abate identified blight. If these efforts fail, the County may take direct action to repair or demolish the property. During FY 2005, approximately 198 properties were identified as blighted properties. This number continues to decrease, which may indicate that more homeowners are opting to voluntarily clean-up their properties before they can be categorized as "blighted." During FY 2005, HCD facilitated the demolition or rehabilitation of 34 properties deemed to be blighted throughout the County.

#### **Capital Formation and Capacity Building:**

#### **Funding Opportunities**

This activity focuses on identifying and applying for available funding opportunities to leverage and supplement County funds for projects and programs. It includes federal entitlement grants such as Community Development Block Grant (CDBG) and HOME Investment Partnership Grant (HOME), other federal, state and local grants and loans, and private financing.

#### **Partnering**

This activity links the FCRHA financing abilities with those of the private sector (non-profit and for-profit) to generate additional financial resources. Non-profit corporations or limited liability corporations (LLC) formed by the FCRHA partner with private investors to benefit from Federal Low Income Housing Tax Credits to fund FCRHA affordable housing for families and seniors. In addition, FCRHA issues revenue bonds to raise funds from private investors to fund affordable housing and community facilities.

#### **Consolidated Plan/Consolidated Community Funding Advisory Committee (CCFAC)**

HCD provides leadership in developing and implementing the County's annual Consolidated Plan in conjunction with the CCFAC, a residents' committee. The Consolidated Plan is the required annual application for several entitlement grants to the County from the U.S. Department of Housing and Urban Development (HUD), which provided about \$10 million for local housing and community development programs in FY 2006.

#### **Human Services**

This activity provides resources to the County's non-profit partners through the Consolidated Community Funding Pool (CCFP) for critical human services such as youth programs, housing support services, and services targeted toward the County's immigrant population. A significant portion of the funding comes from CDBG, administered by HCD, which also supports CCFP planning and administers contract awards. CCFP will provide \$10.4 million in total funding for these services in FY 2007.

## **FY 2007 Funding Adjustments**

The following funding adjustments from the FY 2006 Revised Budget Plan are necessary to support the FY 2007 program:

 Refer to specific Department of Housing and Community Development fund budgets in Volume 2 for FY 2007 funding adjustments.

## **Changes to FY 2006 Adopted Budget Plan**

The following funding adjustments reflect all approved changes in the FY 2006 Revised Budget Plan since passage of the FY 2006 Adopted Budget Plan. Included are all adjustments made through April 24, 2006 as part of the FY 2005 Carryover Review and the FY 2006 Third Quarter Review.

♦ Refer to specific Department of Housing and Community Development fund budgets in Volume 2 for changes to the <u>FY 2006 Adopted Budget Plan</u>.

## Affordable Housing Service Area 🚻 🕮 🛱

#### Goal

To implement the Board of Supervisors' Affordable Housing Goal that "opportunities should be available to all who live or work in Fairfax County to purchase or rent safe, decent, affordable housing within their means." This goal will be achieved through providing development, technical assistance, and financing services in conjunction with the FCRHA and both for- and non-profit community partners; managing and maintaining quality affordable rental housing; administering rental housing subsidies in accordance with federal regulations and local policies; and providing homeownership opportunities to eligible households.

#### **Public Housing Performance Measurement Results**

In FY 2005, the Public Housing program continued to provide high quality housing to over 3,000 Fairfax County residents and maintained a high occupancy rate of 99 percent at the properties. Agency indicators in nearly every area of the Public Housing Assessment System (PHAS) are rated very highly, resulting in an overall PHAS rating of 97 percent in FY 2004, which is the most current data available. The cost per client decreased in FY 2005 compared with FY 2004 as more clients were served.

#### **Service Area: Affordable Housing - Fairfax County Rental Program (FCRP)**

#### **Objectives**

♦ To obtain a Program Assessment rating of 86 percent or better on a 100-point scale in the categories of vacant unit turnaround time, work order completion, security, unit inspections, self-sufficiency and resident satisfaction.

## Fairfax County Rental Program (FCRP) Performance Measure Results

In FY 2005, 78 percent of the residents residing in FCRP properties indicated that they were satisfied or very satisfied with the FCRP program. Occupancy remained at 99 percent. Despite the fact that there was some program growth due to additional ADU/FCRP units purchased by the FCRHA, the cost per client has decreased from FY 2004 to FY 2005 due to the privatization of Stonegate Village Apartments, which is now managed by a third party contractor.

♦ To obtain a Section 8 Management Assessment rating of 92 percent or better on a 100-point scale in the categories of timeliness and quality of inspections, rent calculations, lease-ups and contract enforcement, as well as in nine other areas specified by HUD.

<sup>(1)</sup> The Section 8 Management Assessment Program (SEMAP) rating period is for the prior fiscal year and the rating is awarded within six months of the end of the fiscal year. A SEMAP rating over 90 percent earns the FCRHA "Outstanding Performer" status from HUD.

#### **Section 8 Performance Measurement Results**

In FY 2004, which is the latest available data, performance measures exceeded the targeted outcome of 92 percent as measured under the federal assessment called Section 8 Management Assessment Program (SEMAP). The FY 2004 SEMAP rating was 93 percent. The increase in client cost is related to higher average housing assistance payments from FY 2004 to FY 2005.

<sup>(1)</sup> Performance data for FY 2002 through FY 2003 were based on the previous objective of tracking the efficiency of the entire Elderly program. These Cost Center indicators have been changed as of FY 2004 to track the cost of a subsidized Assisted Living, 52-bed facility.

## **Elderly Housing Performance Measurement Results**

In FY 2005, 52 Assisted Living units were statistically isolated for independent tracking. This performance measure addresses performance of 52 units in one assisted living development. The Elderly Independent Living program, utilizing County dollars, apartment rent revenue and Federal HOME subsidy monies, has sustained strong occupancy rates of approximately 96 to 99 percent since FY 2002. New performance measures are being developed during FY 2007 which will more accurately capture the performance of elderly housing programs; therefore, no targets have been set for FY 2007 using current indicators.

<sup>(2)</sup> Currently working on a relevant elderly program assessment tool for the assisted living facility.

<sup>(3)</sup> New performance measures are under development for this service area.

#### **Homeownership Performance Measurement Results**

The number of new and resale units varies from year to year, due to a variety of factors outside HCD's control. The pace of real estate development in the County and the timing of the production of affordable dwelling units (ADUS) within a development are two examples. In FY 2005, 114 first time homebuyers achieved homeownership utilizing HCD programs, which is less than the FY 2005 estimate of 120. In FY 2005, the service delivery satisfaction rate was 95 percent, the same level as the FY 2005 initial estimate.

<sup>&</sup>lt;sup>1</sup>As part of the *FY 2005 Carryover Review*, the FY 2006 Beginning Balance in Fund 965, Housing Grants, was reduced to \$0 from \$42,413 as requested by the U.S. Department of Housing and Urban Development to close out the Public Housing Drug Elimination and HOPWA Grants that expired prior to FY 2006 and were not carried forward to FY 2006. All expenditure and revenue reimbursements were completed for these grants.

<sup>&</sup>lt;sup>2</sup> The General Fund Contributions include the General Fund Transfers to Fund 141, Elderly Housing Programs, Fund 144, Housing Trust Fund, Fund 340, Housing Assistance Program, and Fund 319, The Penny for Affordable Housing Fund, with the remainder reflecting Agency 38 funding within the General Fund. Due to a change in the way Fund 319 is accounted for, the FY 2007 total only includes the General Fund Transfers to Fund 141 in the amount of \$1,450,052 and Fund 340 in the amount of \$935,000. The remaining \$6,971,863 reflects Agency 38 funding within the General Fund.

<sup>&</sup>lt;sup>3</sup> FY 2007 Real Estate Tax Revenue reflects funding in Fund 319, The Penny for Affordable Housing Fund, formerly listed under General Fund Contributions in FY 2006.

<sup>&</sup>lt;sup>4</sup> Designations are based on Fund Category, for example Fund 340, Housing Assistance Programs is included in Capital Projects although some funding is used to support Personnel Services. Fund 949, FCRHA Internal Service Fund, was included as a separate housing fund beginning in FY 1998. Revenues and expenditures for this fund are included in the Consolidated Fund Statement, but do not increase total funding available to the agency. As such, this funding is netted out of the Program Area Summary by Fund.

<sup>&</sup>lt;sup>1</sup> Fund 319, The Penny for Affordable Housing Fund, was established in FY 2006 and detailed as a capital fund, so it did not appear as part of the Department of Housing and Community Development's (HCD's) FY 2006 Adopted Budget Plan. However, Fund 319 is now detailed as a housing fund, which accounts for the \$17,900,000 increase in HCD's FY 2006 Adopted Budget Plan.

<sup>&</sup>lt;sup>2</sup> Fund 142, Community Development Block Grant, and Fund 145, HOME Investment Partnership Grant, are federally supported County Appropriated funds and have been reflected under the federal/state Support Category. #### **Housing Fund Structure**

In many cases HCD service areas span multiple elements of the fund structure which follows. For example, staff in the General Fund and the FCRHA General Revenue and Operating support most of the activities of the Department.

#### ♦ County General Fund

Fund 001, General Operating

This Fund includes support for positions in Agency 38, HCD, and provides subsidies for the operation of some rental housing programs. Subsidies include support for expenses such as refuse collection, painting, maintenance positions, real estate taxes, and homeowner/condominium fees charged for condominium units owned by the FCRHA.

#### ♦ FCRHA General Revenue and Operating

Fund 940, FCRHA General Revenue and Operating

This fund includes all FCRHA revenues generated by financing fees earned from issuance of bonds, monitoring and service fees charged to developers, investment income, project reimbursements, consultant fees, and ground rents on land leased to developers. Revenues support operating expenses for the administration of the private activity bonds and the Home Improvement Loan Program staff.

#### Local Rental Housing Program

Fund 941, Fairfax County Rental Program (FCRP)

Fund 941 covers the operation of housing developments that are owned or managed by the FCRHA, other than federally-assisted public housing and certain County-supported rental housing. They include operating costs for the FCRP units, the Woodley-Hills Estate Mobile Home Park, and projects regulated by the Virginia Housing Development Authority, including group homes for the disabled and mentally handicapped. These latter units are owned and maintained by FCRHA; however, programs for the residents are administered by the Fairfax-Falls Church Community Services Board.

#### Fund 950, FCRHA Partnerships

Fund 950 was established in FY 2002 to budget and account for revenue and expenditures related to some of the housing developments owned by partnerships between FCHRA and private investors. Financial records for these partnerships are maintained separately, outside the County financial systems, in order to meet accounting and reporting requirements. However, HCD provides staff support to some of these developments and procures goods and services on behalf of these partnerships which are reflected in Fund 950. Previously, these items were included in Fund 941.

#### ♦ Federal Section 8 Rental Assistance

Fund 966, Section 8 Annual Contribution

The Section 8 program is a federal housing rental assistance program for lower income families to assist them in leasing housing in the private marketplace. A portion of rent payments is provided by HUD and is calculated under various formulas, incorporating family income and the fair market rent for various types of housing in the Washington Metropolitan Area. The FCRHA administers the program, providing rental vouchers to eligible participants and rental subsidies to certain housing developments.

#### ♦ Public Housing Program

- Fund 967, Public Housing, Projects Under Management
- Fund 969, Public Housing, Projects Under Modernization These funds represent the Federal Public Housing Program that supports the operation, modernization, or acquisition of rental housing to be owned and operated by local housing authorities such as the FCRHA. The Public Housing Program had been divided into two separate components: projects in operation and modernization of existing Public Housing facilities. Under the program qualifications for Public Housing, units are leased to low-income tenants, and tenants pay no

more than 30 percent of adjusted income toward dwelling rent or a minimum of \$50 per month.

#### ♦ Special Revenue Funds

- Fund 141, Elderly Housing Programs
- Fund 142, Community Development Block Grant (CDBG)
- Fund 143, Homeowner and Business Loan Programs
- Fund 144, Housing Trust Fund
- Fund 145, HOME Investment Partnership Grant (HOME)
- Fund 945, Non-County Appropriated Rehabilitation Loan Program

These Funds include housing programs which have a special source of revenue, including rental income, federal/state support, bank funds, or proffered contributions. Elderly Housing Programs in Fund 141 provide for the operation of FCRHA owned affordable housing for the low- and moderateincome elderly of the County. The CDBG program in Fund 142 is a federal grant that is used to conserve and upgrade neighborhoods through the provision of public facilities, support for community services and stimulation of development of low- and moderate-income housing. The Homeowner and Business Loan Programs in Fund 143 support homeowner assistance, such as the Moderate Income Direct Sales Program, which aids homeowners in the purchase of homes, as well as a federal grant aimed at providing loans to small and minority businesses. Fund 144, Housing Trust Fund, utilizes proffered contributions from private developers, County contributions, and investment earnings to encourage the preservation, development, and redevelopment of affordable housing by the FCRHA, non-profit sponsors, and the private sector. The HOME program in Fund 145 is a federal grant program that supports provision of affordable housing through acquisition, Fund 945, Non-County rehabilitation, new construction, and tenant-based rental assistance. Appropriated Rehabilitation Loan Fund, represents funds raised from private sources for the rehabilitation and upgrading of housing, and works in conjunction with County-appropriated funds in the CDBG and the Homeowner and Business Loan Program Funds.

#### Capital Projects

- Fund 319, The Penny for Affordable Housing Fund This fund is designed to provide funds to quickly and significantly impact the availability of affordable housing in the County within established criteria. The fund was established in FY 2005 based on the Board of Supervisor's approval to dedicate one penny of the real estate tax revenue to preserving affordable housing in the County.
- Fund 340, Housing Assistance Program
- Fund 341, Housing General Obligation Bond Construction

These Funds provide County support for both affordable housing and community revitalization capital projects. Fund 340, Housing Assistance Program, had been used primarily for the acquisition or development of units to be managed and operated within the FCRP and for infrastructure costs associated with approved development projects. Beginning in FY 1997, funding was also included in Fund 340 from Section 108 loan proceeds to be used to preserve and improve four conservation areas. The funds also support the Blight Abatement and Revitalization programs. Fund 341, Housing General Obligation Bond Construction, is used to budget and report costs for housing and community development and capital projects that are supported wholly or in part by general obligation bond proceeds.

#### ♦ FCRHA Development Support

- Fund 946, FCRHA Revolving Development
- Fund 948, FCRHA Private Financing Fund 946 provides development support for site investigation for proposed new projects and provide temporary advances for architectural and engineering plans, studies, or fees for which federal, state, County, or private funds will reimburse the FCRHA at a later date. Funding capital improvement projects for existing FCRP units is also provided. Fund 948, FCRHA Private Financing, is used to budget and report costs for two types of funds: those borrowed by the FCRHA from private lenders and other sources, and funds for FCRHA projects which are generated through the sale of FCRHA bonds.

#### ♦ FCRHA Internal Service Fund

• Fund 949, FCRHA Internal Service Fund, was established in FY 1998 to charge for goods and services that are shared among several housing funds. These costs include items such as office supplies, telephones, postage, copying, insurance, and audits which have been budgeted and paid from one of the FCRHA's funds and then allocated to the other funds proportionate to their share of the costs. This fund also includes costs associated with the maintenance and operation of FCRHA housing development, such as service contracts for extermination, custodial work, elevator maintenance, grounds maintenance, etc. The fund allows one contract to be established for goods and services, as opposed to multiple contracts in various funds.

#### ♦ FCRHA Grant Fund

Fund 965, Housing Grants Fund, was established in FY 2000 to administer grants awarded to the FCRHA. The grants currently in this fund are awarded by the U.S. Department of Housing and Urban Development (HUD), based on competitive applications for funding, and provide for rent subsidies, counseling services, support services, operating expenses, and property improvements.
